AT WESTON MUSEUM

the reception

Downstairs in our main Courtyard is where the Reception takes place, and the space lends itself beautifully to being styled however you wish. We have a range of layouts available, and can always discuss other ideas if you have something special in mind. Chairs and tables are provided (not the chairs pictured above).

The package price includes 50 guests for the Reception, with up to an additional 30 (total 80) at an extra charge.

Take a look through our Wedding Catering packages to see what catches your eye for the afternoon/evening offer. We can also explore tailor-made packages.

There is also room for a DJ towards the top end of the Courtyard, so you can dance the night away to celebrate.

the ceremony

At Weston Museum we never forget that your wedding day is one of the most memorable days of your life.

We offer civil ceremonies and take pride in ensuring your dream day is delivered with excellence from beginning to end.

Having your ceremony within our venue completes your entire day.

Our Ceremony capacity is 30, and our Ceremony Room is located upstairs in a secluded room, where you and your loved ones can watch two become one.

After the Ceremony, a drinks reception for 30 people is provided and available from the foyer outside the Ceremony Room.
