THE CEREMONY

At Weston Museum we never forget that your wedding is one of the most memorable days of your life.

We offer civil ceremonies so you can celebrate your entire day in one location.

The ceremony room is located upstairs so that you and your partner can exchange your vows in privacy with 40 of your nearest and dearest.

Your loved ones will then be escorted down to the courtyard for a drinks reception, giving you a moment to yourselves before reuniting with your family and friends as a newly married couple.

THE RECEPTION

The courtyard lends itself beautifully to being styled however you wish. We have a range of table layouts available, and can always discuss other ideas if you have something special in mind.

The package includes 40 guests for the reception, with room for an additional 40 (total 80) guests if you wish.

Our catering packages enable you to choose from a set menu or even explore a bespoke option if you have a specific vision.

Our adjacent room is also included, and is the ideal place for the DJ and dancefloor, meaning you can dance the night away to celebrate whilst also having a safe and sturdy dance floor to bust your moves.

OUR PACKAGE

For your special day, you will have exclusive use of Weston Museum from 11:00 - 23:00. Our dedicated team will decorate the venue for you. Our package also includes a secure room for your decorations the day before, and until 12:00 the day afterwards.

Our package is for a minimum of 40 guests, and includes the wedding breakfast, evening catering, 1 glass of wine at the breakfast, plus 2 glasses of bubbly (1 for the drinks reception, 1 for the speeches) per guest.

We can comfortably seat a maximum of 40 guests for the ceremony, however, we can cater for up to 80 guests for the after-ceremony drinks reception, wedding breakfast and onwards.

Also included in the package are tablecloths, chair covers, all cutlery, crockery, glassware, staffing and cleaning costs.

You will also have an on-the-day coordinator.

WEDDING BREAKFAST

Our dedicated catering team are on hand to ensure your vision comes to life.

Our wedding breakfasts are a set menu for all of your invited guests (individual dietary requirements can be catered for on discussion).

If you have a specific menu in mind, our chef can create a custom menu (depending on restrictions).
